

Display Application & Release Form

The Staunton Public Library invites artists and others to submit proposals to display their work or collections. Proposals are accepted throughout the year. Displays run for 1 or 2 full calendar months and can be seen by our over 17,000 visitors a month.

Display Options:

1. The Display Cabinets are actually two separate cabinets, each 35" wide, 9 ½" deep and 72" tall. There are at least 3 adjustable glass shelves in each. The back is usually covered in a dark cloth and you are free to change it if you wish. They are lit from the top.
2. The Art Wall is 16 feet wide, 8 feet high, and has a Walker Display picture hanging system which must be used. No items may be attached directly to the wall. The lower right corner is blocked by the public copy machine.

Exhibitors will be required to hang or display their own works. Preference will be given to those that have not exhibited before or as recently. Exhibitors should include a small sign with the artist's name and contact information, and may have business cards as well.

If works are for sale the artist must supply a list containing titles and descriptions as well as prices, and this list will be available to the public at the service desk. Prices may not be displayed, but the artist may include this on their sign and direct the public to the service desk for prices. Sales are strictly between the artist and customer; the library will not act as intermediary for the exchange, and will not accept any money on the artist's behalf. Works that are sold must remain in the gallery until the end of the exhibition, or replaced.

3. Materials which are deemed by staff to be unsuitable for display in the presence of minors are prohibited. The Library reserves the right to reject any part of an exhibit or to change the manner of display.
4. Items shall not be displayed as "for sale" unless special arrangements have been made. No sales transactions may take place in the Library.
5. The owner or artist shall be responsible for the removal of items at the end of the designated display period unless other arrangements have been made with designated Library staff or volunteers.
6. Materials or art work with religious themes or associations shall be chosen for their educational and aesthetic merit with sensitivity to discrimination. Such materials may not violate the principle of separation of church and state.
