

COURT GUIDELINES

- Maintain at least 6-foot distancing at all times
- Avoid contact with others, such as hand-shakes and high fives
- Consider playing singles only and avoid doubles play as doubles is not conducive to 6-foot distancing and results in incidental contact with other players
- Bring from home and frequently use anti-bacterial wipes and hand sanitizer before, during and after play
- Handle your own equipment at all times
- Stay on one side of the court; do not switch sides
- Consider spraying balls briefly with a disinfectant spray at the conclusion of play or use new balls the next time you play
- Consider wearing gloves during play to avoid handling balls with exposed skin
- No congregating or gathering on the court
- Proceed to your car and depart immediately following play
