PUBLIC NOTICE
SOLE SOURCE PROCUREMENT

July 30, 2025

The City of Staunton has decided to award a sole source award to Infrastructure Solutions Group, Inc. of Mechanicsville, Virginia. to provide certified services for equipment previously supplied by Petersen Industries to the City of Staunton.

Infrastructure Solutions Group, Inc is the exclusive parts and certified service provider for all Peterson Industries equipment and accessories for the Commonwealth of Virginia

No other companies make a product that is similar to or competes with the parts and certified services provided by Infrastructure Solutions Group to support the Petersen equipment (Petersen grapple truck bodies) already utilized by the City of Staunton.

The City of Staunton intends, therefore, to enter into a contract with Infrastructure Solutions Group, Inc. immediately to provide certified support and services.

Respectfully submitted,

Chad Horvat
Finance Business Manager
