PUBLIC NOTICE

SOLE SOURCE PROCUREMENT

January 13, 2026

The City of Staunton has decided to award a sole source award to Infrastructure Solutions Group, Inc. of Mechanicsville, Virginia. to provide certified parts and services for equipment previously supplied by Envirosight, LLC to the City of Staunton.

Infrastructure Solutions Group, Inc is the exclusive parts and certified service provider for all Envirosight equipment, software, and accessories for the Commonwealth of Virginia

No other companies make a product that is similar to or competes with the parts, certified services, and software provided by Infrastructure Solutions Group to support the Envirosight equipment already utilized by the City of Staunton.

The City of Staunton intends, therefore, to enter into a contract with Infrastructure Solutions Group, Inc. immediately to provide certified support and services.

Respectfully submitted,

Chad Horvat  
Finance Business Manager
