

## **CHAPTER 7 - EROSION & SEDIMENT CONTROL**

### **7.1 GENERAL REQUIREMENTS**

7.1.01 An erosion and sediment control plan is required for any land disturbing activity that is greater than 10,000 square feet.

7.1.02 All site plans, required for building or site improvement permit(s), regardless of area of disturbance shall include an erosion and sediment control plan as a separate but inclusive part of the entire development plan submittal.

### **7.2 TECHNICAL DESIGN**

7.2.01 Erosion and sediment control plans shall comply with the requirements of Title 13 of the City Code "Environment" and Title 10.1 of the Code of Virginia.

### **7.3 DRAWINGS**

7.3.01 Drawings shall conform to Chapter 1.6 "Drawing Organization & Format" and shall include standard notes, details, drawing conventions/legends and construction sequence in accordance with the "Virginia Erosion & Sediment Control Handbook".

7.3.02 Drawings shall include narrative(s) describing design and pre-development & post-development site conditions.
